What is life to offer me when I grow old
What's there to look forward to beyond the biting cold
They say it's difficult, yes, stereotypical

What's there beyond sleep, eat, work in this cruel life
Ain't there nothin' else 'round here but humans strife
'Cause they say it's difficult, yes, stereotypical
Gotta be conventional, you can't be so radical

CHORUS

So I sing this song to all of my age
For these are the questions we've got to face
For in this cycle that we called life
We are the ones who are next in line
We are next in line

What is life to offer me when I grow old
What's that to look forward to beyond the biting cold
'Cause they say it's difficult, yes, stereotypical
Gotta be conventional, you can't be so radical

CHORUS

So I sing this song to all of my age
For these are the questions we've got to face
For in this cycle that we called life
We are the ones who are next in line
We are next in line
Hoh oh, we are next in line

BRIDGE

And we gotta work, we gotta feel (we gotta feel)
Let's open our eyes and do whatever it takes
And we gotta work, we gotta feel (we gotta feel)
Let's open our eyes, hoh woh

CHORUS

And sing this song to all of our age
For these are the questions we've got to face
For in this cycle that we called life
We are the ones who are next in line
