Get up.

Get dressed.

Go to school.

Go home.

Jerk off.

Go to sleep.

Do it all again.

Get up.

Go to work.

Smoke a butt.

Go home.

Jerk off.

Go to sleep.

That's my fucking routine.

Go out to the pawn shop.

Sell your soul, buy a gun.

Take it home, say goodbye.

Point it at your head.

Whoever said life wasn't easy was right

Fuck living, you might as well be dead.
