Where were you in this world?
Where were you? I don't know.
I gave it all, and you gave none.
What's left inside is left undone.

This time confronted,
with all these ghosts I'm haunted.
Won't you bear my shame?

I made this mistake,
I hate to hear these words now.
I'll walk this path no more.

Now when you're looking down,
down upon me.
Well don't you
try and forget
what you have done.
It's stuck in me,
and I won't forget this time.

Where were you in all this world?
Where were you? I don't know.
I gave it all and you gave none.
What's left inside is left undone.

I gave it all,
you gave it none.
It's been so long
since you have gone.
You had the world,
you threw it out.
It'll all come back, too.

This time confronted,
with all these ghosts I'm haunted.
Won't you bear my shame?

I made this mistake,
I hate to hear these words now.
I'll walk this path no more.

Forget
what you have done.
It's stuck in me,
and I won't forget this time.
