I try to make it through my life, in my way, there's you
I try to make it through these lies, and that's all I do

Just don't deny it,
Don't try to fight this ,and deal with it
and that's just part of it,

If you were dead or still alive
I don't care, I don't care
Just go and leave this all behind
Cause i swear (i swear),i don't care

I try to make you see my side
Always trying to stay in line
But your eyes see right through
That's all they do

I'm getting buried in this place
I got no room your in my face
don't say anything just go away

If you were dead or still alive
I don't care, I don't care
Just go and leave this all behind
Cause i swear (iswear) i don't care

[instrumental]
love changing everything
You won't be left for me x2
If you were dead or still alive
I don't care, I don't care
Just and and leave this all behind
Cause i swear(i swear)i don't care

If you were dead or still alive
I don't care(i don't care), I don't care(i don't care)
Just go ahead and leave this all behind
I don't care(i swaer), I don't care
At all...
