Call On Me

Â©2009 A.Snape/L.Rimes SESAC APRA

Trying to hard its so complicated
Don't get wrong I'm not complaining
You know that I hate to be alone
Been looking for love in all the places
To many lives to many places to choose from
But I hate to be alone
Do you hate to be alone

The stories simple your gorgeous I'm single
What is left to say to you I know what to do
If you need someone for comfort and to wake up next
to
Call on me I'm all you need
I'm telling you what I know

Look in my eyes you'll see that I'm laughing
On the inside you and me could be dancing
You know that I hate to be alone
Looking for love in all the wrong city's
I never seen someone so pretty you know
That I hate to be alone
Do you hate to be alone

Everybody needs to get a little bit of loving X8
I'm telling you what I know

Reading my mind you know what I'm saying
I don't understand is there some one your saving
yourself for
But I hate to be alone

Yeah Yeah There's nothing left to say to you
I'm everything I'm everything yeah
If you need someone for comfort and to wake up next
to
Call on me I'm all you need
I'm telling you what I know.
