Green water give you clean cool buzz  
Cocaine money, for selling your blood  
Damn the things that you do to yourself  
You do to your friends  
And everybody else  
We know how it ends  
With a boom  
Boom boom boom bang bang bang  
Boom boom boom  
Boom boom boom bang bang bang  
Boom boom boom  
Shoved into a tin she can stands  
On the subway it's monday and  
Old man with a tin can in his hands  
He wants money it's ugly  
Boom boom boom bang bang bang  
Boom boom boom  
Boom boom boom bang bang bang  
Boom boom boom(2x)  
Green water give you clean cool buzz  
Cocaine money, for selling your blood  
Damn the things that you do to yourself  
You do to your friends  
And everybody else  
We know how it ends  
With a boom  
Boom boom boom bang bang bang  
Boom boom boom  
Boom boom boom bang bang bang  
Boom boom boom(3x)
