Give me some fire, and a piece of glass  
Hear that train, floatin' past  
On feathered tracks, with helium wheels  
Got no coal, got no steel

Opium, won't you smile on my brain  
Flowers and fog, you've got me feeling no pain

Deja vu, all over again  
You gonna be my pal, my bestest friend  
Hear that train, screamin' past  
Out of control and off the tracks

Opium, won't you smile on my brain  
Flowers and fog, you've got me feeling no pain  
It's 8:00 AM not a quarter past 3  
Flowers and fog wont you rescue me

Fast asleep, quick to die  
Seen 'em go in the blink of an eye  
Long white line, tied to the tracks  
Little white lie, no looking back

Opium, won't you smile on my brain  
Flowers and fog, you've got me feeling no pain  
It's 8:00 AM not a quarter past 3  
Flowers and fog wont you rescue me  
Rescue me, cant you set me free  
Rescue me, set me free

Opium, won't you smile on my brain  
Flowers and fog, you've got me feeling no pain  
It's 8:00 AM not a quarter past 3  
Flowers and fog wont you rescue me

Opium, won't you smile on my brain  
Flowers and fog, you've got me feeling no pain  
It's 8:00 AM not a quarter past 3, baby  
Flowers and fog wont you rescue me
