All the way down to the bottom  
All the way down to the fire  
All the way down to the Devil  
Beelzebub in the bottom of the pit now

All the way down to the bottom  
All the way down to the fire  
All the way down to the Devil  
Beelzebub in the bottom of the pit now

I got sin piled high  
Waiting for me when I die  
Holy love, dirty deeds  
You don't care

All the way down to the bottom  
All the way down to the fire  
All the way down to the Devil  
Beelzebub in the bottom of the pit now

All the way down to the bottom  
All the way down to the fire  
All the way down to the Devil  
Beelzebub in the bottom of the pit now

Fire burns cold as ice  
No more hate, no more lies  
Coffin nailed dirty deeds  
No more life

All the way down to the bottom  
All the way down to the fire  
All the way down to the Devil  
Beelzebub in the bottom of the pit now

All the way down to the bottom  
All the way down to the fire  
All the way down to the Devil  
Beelzebub in the bottom of the pit now

All the way down to the bottom  
All the way down to the fire

All the way down to the Devil  
Beelzebub in the bottom of the pit now

All the way down to the bottom  
All the way down to the fire  
All the way down to the Devil, Beelzebub
