I'm right
I know
You're mine

You wait there every evening
Till the morning light
I saw you on the ceiling
How could I even fight?

I saw you in the morning
About 3:55
I asked you what you wanted
You said you wanted to be alive

Chorus:
The more things change, the more they stay the same
The more things stay the same, the more I go insane
The more things change, the more they stay the same
The more things stay the same, the more I go insane

You ran around my bedroom
And made me levitate
You pinned me to my bed
You forced me to stay awake

(Chorus)

Haunted by the ghost of you
Each lonely night
I've tried to scream out loud
But the walls they['re] closing tight

My heart beats faster
Twice as faster

(Chorus)
The more I go insane
The more I go insane
