I love the way you laugh, baby  
It's what I love to hear  
I love the way u hold me close  
Everytime that you're near  
And I can't, and I can't, and I can't wait to love u  
No I can't, No I can't, No I can't, I can't express  
The way u hold me, kiss me, when u love me  
Boy you've got me in a mess

I'm so sprung, boy I can't explain  
The chill in my spine when u call my name  
Boy, U got me goin crazy, I'm about to go insane  
U penetrate your love down to my veins  
My heart's poundin like the sound of the rain  
When u touch me, it's pleasure not pain  
You got me sprung... over and over

I love the things that u whisper, hunny  
It brings a smile to face  
I love the way you get romantic baby  
The serenading words I can't erase  
And I feel, and I feel, and I feel so down, baby  
All I want, all I want, all I want's to hold u tye  
I need the feel, the touch, and joy

Babe, this feeling is alryte

I'm so sprung, boy I can't explain  
The chill in my spine when u call my name  
Boy, U got me goin crazy, I'm about to go insane  
U penetrate your love down to my veins  
My heart's poundin like the sound of the rain  
When u touch me, it's pleasure not pain  
You got me sprung... over and over [2x]

I feel so naughty baby,  
I wanna love u down  
I want u to kiss me baby  
All around [and around]  
Do u feel the Ecstasy  
That's gonna explode on you  
I feel the Ecstasy

Cuz I'm so sprung on you

I'm so sprung, boy I can't explain  
The chill in my spine when u call my name  
Boy, U got me goin crazy, I'm about to go insane  
U penetrate your love down to my veins  
My heart's poundin like the sound of the rain  
When u touch me, it's pleasure not pain  
You got me sprung... over and over
