Dashing through the sand
With a bomb strapped to my back
I have a Nasty plan
For Christmas in Iraq

I got through checkpoint A
But not through checkpoint B
That's when I got shot in the ass by the US Military

Oh, Jingle bombs
Jingle bombs
Mine blew off you see
Where are all the virgins that Bin Laden promised me

Jingle bombs, jingle bombs your soldiers shot me dead
The only thing that I have left is this towel upon my
head

I used to be a man, but every time I cough
Thanks to uncle Sam my nuts keep falling off
My bombing days are done, I need to find some work
Perhaps it would be much safer as a convenient store
night clerk,

Oh, Jingle bombs, jingle bombs I think I got screwed
Don't laugh at me because I'm dead or I kill you!
