delam gereft az asemoon  
ham az zamin ham az zamoone  
to zendegim gheghadr ghame  
delam gerefte az hame  
ey rozegare la'nati  
talkhe behet harchi begam  
man be zamin o asemoon daste refaghat nemidam

emshab az on shabhasht  
ke man dobare divoone besham  
to masti o bikhabari  
asire meykhoone besham  
emshab az on shabhasht  
ke man delam mikhad dad bezanam\*\*  
to shahre in gharibe ha  
dardamo faryad bezanm

az in hame dar be dari  
to ghalbe man ghiyamate  
che fayde dare zendegi?  
in entehaye taghate  
az in hame dar be dari  
be lab reside joone man\*\*\*  
be dade man nemirese  
khodaye asemoone man\*\*\*\*
