wake up from your slumber

awake from your slumber
o ye that sleep all the day long
the husband man is coming
to inspect the vineyard

o dont you know that
there is much work to be done
o dont you know that he's coming so soon

o dont you know, there is much work,
much work to be done,
o dont you know that he's coming
so soon

prepare to go to war conquer the fight
like mighty men
the spoils be ours now

o dont you know that he's coming so soon

repeat 2nd verse above

dont sleep wake up let's go to war now
J'sus is calling all his mighty warriors
the labor'rs are few
the harvest is plenty
cant u see many souls are dying
put your armour wear your helmet
wear your fighting shoes
pick up your guns
shoot at the devil
dont look back let's go on
jesus christ is coming
he shall judge
the quick and the dead

oh oh ah, ah ah

will you be there?
when the trumpet shall sound

will you be there?

dont sleep wake up
echo
put your armour wear your helmet
echo
dont look back lets go on
echo

awake from your slumber
o ye that sleep
all the day long
the husband man
is coming to inspet the vineyard

o lord, o ah
prepare to go the time is short
this' the word from the father
tu tu tu tu tu tu ta ta ta ta
o husband man - is coming - the vineyard
