We antichristian warriors
At your threshold of unholy door. we will put genuine
Faiths monument towards freedom blinded nations.

Jewish faith, it bears only internal disruption in chaos.

Cosmopolitan filthy nazarene world, let's will come on a
new holocaust mentally humiliated masses... by
centuries suppressing voice of history.

Priest of pestilence, propaganda master like as leper
pauper infects bane human mind and
Kills leavings slavonic heritage
Great-grandfathers.

Harvests domination of crosses on ground of
ignorance and lack of tolerance, people receptive on
wicked contents conceal under canvas charity.

Moral decay of humanity covering up of historical truth
and culture.
