Temple under sign of cross...
In her only greed and pain
Temple of poisoners minds, free will and pure faith of
people.

... Saint institution... Hiding dark secrets, propagated
faiths of cross...
Ways cleared on the ground of ignorance and of blood
not submissive fathers.

Catholic doctrines dazzling common sense premises
about salvation after death and eternal life, at side ...
crucified liar and murderer.

... Of god's house ... And in it lodge squalid rulers,
lascivious broods and strumpets.

Temples of mendacity around us.
Rotting church, suppurating mind.
Depravation and lies for souls.
Ruse sown in us for many years.

Christian phallus of damage, he demoralizes and
profanes from time immemorial,
Virginal and innocent bosoms of our children, sowing
in them seeds of evil ...
