"A Thousand Lines"

I've asked myself this question
Asked myself a thousand times
The answer remains unspoken
Hidden beneath a thousand lines
We both know it can't be answered
Cause we know the truth
The magic that remains hidden
In the hearts of me and you

A few months of uneasy times, awkward lines
Staying up, empty spaces in my mind
Confused with doubts as time passes slowly
But you should have told me

I've asked myself this question
Asked myself a thousand times
The answer remains unspoken
Hidden beneath a thousand lines
We both know it can't be answered
Cause we know the truth
The magic that remains hidden
In the hearts of me and you

Tell me what you're thinking
I'm desperate to know
Can it be that you dream of me
Cause I just want you to know

I've asked myself this question
Asked myself a thousand times
The answer remains unspoken
Hidden beneath a thousand lines
We both know it can't be answered
Cause we know the truth
The magic that remains hidden
In the hearts of me and you

Uneasy times, awkward lines
I want you to know me
Empty spaces in my mind
I want you to show me
Never thought that anyone could feel this way

What i'm feeling is something a thousand lines could
never say

I've asked myself this question
Asked myself a thousand times
The answer remains unspoken
Hidden beneath a thousand lines
We both know it can't be answered
Cause we know the truth
The magic that remains hidden
In the hearts of me and you
