I hung up the phone
For the first time ever
I'd rather be alone
Not a tear in my eyes
Cause i'm not gonna cry
Tonight

Our love was beautiful
Strong and powerful
A teenage fantasy
Never thought it'd ever get to me
Never willing to say goodnight
Cause we thought that this love was right
But you see
This time
It's not meant to be

So here's where we stand
It's weird being just friends
But now this is the end
And there's not a tear in my eyes
Cause I'm not going to cry
Tonight

Our love was beautiful
Strong and powerful
A teenage fantasy
Never thought it'd ever get to me
Never willing to say goodnight
Cause we thought that this love was right
But you see
This time
It's not meant to be

I won't forget
The times we spent together
I won't regret
Holding your hand
I know someday we'll find someone better
But just know that your name
Will be etched in my heart forever
So don't forget

Don't forget
Cause i won't forget

Our love was beautiful
Strong and powerful
A teenage fantasy
Never thought it'd ever get to me
Never willing to say goodnight
Cause we thought that this love was right
But you see
This time
It's not meant to be

Don't forget
