I see you walking through the door
Wearing that cap over your gorgeous hair
You smile and I want more
Why is life so unfair?
I know it's a long shot
Boy, you got my heart tangled up in knots

Wake up
When will you see
That you're really meant to be with me
I'm
Sick of
Playing games
Acting like I don't care
Like there's no one there but i know it's Impossible
To notice the girl called
Little miss invisible

I know
That my boyfriend would flip
But do I look like I care?
It's so
Annoying when you've got so much on your mind
You ask me if I'm fine
But I say
No

Wake up
When will you see
That you're really meant to be with me
I'm
Sick of
Playing games
Acting like I don't care
Like there's no one there
But I know it's impossible
To notice the girl called
Little miss invisible

(Little miss) Obsessive
(Little miss) Possessive
(Little miss) Excessive

(Little miss) Depressive
(Little miss) Typical
(Little miss) Pitiful
(Little miss) Miserable
(little miss) Unusual
I know it's just impossible
For little miss invisible
