I didn't wanna think you were cheating  
But I had to anyway  
I didn't wanna think you were lying  
Cause I thought we'd be okay

Now I've come to find we were nothing  
Just broken hearts and lies  
But I'm just fine

One last goodbye  
Don't waste your time  
Cause we both know it's not worth it  
One last goodbye  
Don't even try  
To mend the hearts you've broken  
Deep down inside  
You know I'm right  
Just say goodbye  
We'll be alright

Why did you write me a love song  
When you knew it'd fall apart  
Why did you say i love you  
When you knew it wouldn't last

The time is ticking up  
And I've had enough

One last goodbye  
Don't waste your time  
Cause we both know it's not worth it  
One last goodbye  
Don't even try  
To mend the hearts you've broken  
Deep down inside  
You know I'm right  
Just say goodbye  
We'll be alright

Don't say you're sorry  
Cause we both know you don't mean it  
Just say goodbye

And leave it

One last goodbye  
Don't waste your time  
Cause we both know it's not worth it  
One last goodbye  
Don't even try  
To mend the hearts you've broken  
Deep down inside  
You know I'm right  
Just say goodbye  
We'll be alright

One last goodbye  
Don't waste your time  
Cause we both know it's not worth it  
One last goodbye  
Don't even try  
To mend the hearts you've broken  
Deep down inside  
You know I'm right  
Just say goodbye  
We'll be alright
