i have a dream
one that's so far from reality
so close
yet so out of reach

the ground is shaking beneath my feet
and the earth is slowly sinking below me
but i'm holding on
i won't give up
i'm staying strong
even when the going gets tough

who says
dreams don't come true
who says
i can't live my life the way i want it to be
who says
i can't reach for the stars
who says
i won't go far
cause i know i'll make it if i just believe
and nothing's going to stop me..
you'll see

it's impossible
that's what everyone says
they think i'm crazy
but they just don't see

i won't let this fantasy die
not going to let it free fall out of the sky
cause i'm headstrong
i'm keeping up
i'll save myself
even when the going gets rough

who says
dreams don't come true
who says
i can't live my life the way i want it to be
who says
i can't reach for the stars

who says
i won't go far
cause i know i'll make it if i just believe
and nothing's going to stop me..
you'll see

that i'm going to live life to the fullest
i know that i can do it if i try
i'll get through this
who says

who says
dreams don't come true
who says
i can't live my life the way i want it to be
who says
i can't reach for the stars
who says
i won't go far
cause i know i'll make it if i just believe
and nothing's going to stop me..
