(Jim Mundy - Peggy White)

He's a bramer bull rider a lover and a fighter
And a tiger when he's on his own
But he's a whole lot different when his woman is with
him
The cowboy's a kitten at home.

He washes the dishes and does what she wishes
And his own britches he irons
But don't try to kid him cause no man can whip him
The cowboy's a kitten in her arms.

--- Instrumental ---

He's mean and he's trouble with scars on his knuckles
The championship buckle to show
He's a bad bronc buster a drinker and a cusser
But a furniture duster at home.

He's wild and he's wooly a bar room bully
He'll break you like a pulley bone
But he suddenly changes when he's with his lady
The cowboy's a kitten at home.

--- Instrumental ---

He's a bramer bull rider a lover and a fighter
And a tiger when he's on his own
But he's a whole lot different when his woman is with
him
The cowboy's a kitten at home...
