(Shirl Milete - Warren Robb)

Evrybody always ask me why I drink so much  
And I just tell 'em I just seem to like that stuff  
I ain't sad and I ain't sorry I ain't tryin' to forget  
I'm havin' me a good time I ain't about to quit.

Drinkin' dancin' chasin' girls and stayin' out all night  
Drinkin' dancin' honky tonkin' that's our kinda life  
Spurs cowgirls two steppin' in their tight levis  
Drinkin' dancin' we love it and we'll do it till we die.

--- Instrumental ---

I know all the girls in bars from here to San Antone  
You might say I specialize in havin' fun  
If I'm sinnin' then I guess that's tween the good Lord  
and myself  
'Cause I bein' good to me I ain't hurtin' no one else.

Drinkin' dancin' chasin' girls and stayin' out all night  
Drinkin' dancin' honky tonkin' that's our kinda life  
Spurs cowgirls two steppin' in their tight levis  
Drinkin' dancin' we love it and we'll do it till we die.

Drinkin' dancin' chasin' girls and stayin' out all night  
Drinkin' dancin' honky tonkin' that's our kinda life  
Spurs cowgirls two steppin' in their tight levis  
Drinkin' dancin' we love it and we'll do it till we die...
