Listen to the fiddles from the fais do do playin' all of  
my favorite songs  
Papa Thibodaux Belinda hey Jole Blon  
Cher Cherie you're the one for me I told you long time  
ago  
I came here to get you take you to the fais do do.

Fais do do let the good times roll, let the music move  
your soul  
Hey hey bon con dula dancin' at the fais do do  
Fais do do let yourself go dance to the fiddle and the  
bow  
Hey hey bon con dula dancin' at the fais do do.

--- Instrumental ---

That look in your eye means love on your mind I wasn't  
born yesterday  
You're a crazy Cajun with a fire a ragin' but what can I  
say  
Cher Cherie you're the one for me I told you long time  
ago  
I've been waitin' all day for you to take me to the fais  
do do.

Fais do do let the good times roll, let the music move  
your soul  
Hey hey bon con dula dancin' at the fais do do  
Fais do do let yourself go dance to the fiddle and the  
bow  
Hey hey bon con dula dancin' at the fais do do...
