Pardon me I don't know what made me break down
Don't apologize for bringing up her name
There was a time it didn't hurt to talk about it
But lately the thought of her drives me insane.

I guess I'm not as strong as I used to be
It gets harder all the time to fight the tears
I guess I'm not a strong as I used to be
Losing her has made me weaken through the years.

--- Instrumental ---

Just forget you saw me in this condition
It's not like me to lose my self-control
It still hurts me even though it's been a long time
The hardest thing I ever did was let her go.

I guess I'm not as strong as I used to be
It gets harder all the time to fight the tears
I guess I'm not a strong as I used to be
Losing her has made me weaken through the years.
