You'd known so long that you were wrong  
But still you had your way  
You told her lies and alibies  
And hurt her more each day

But now your conscience bothers you  
You've reached your journey's end  
You're asking me for sympathy  
I'm sorry for you, my friend

You laughed inside each time she cried  
You tried to make her blue  
She tugged along through right and wrong  
Because she worshiped you

You know that you're the one to blame  
There's no use to pretend  
Today's the day you start to pay  
I'm sorry for you, my friend

Today as she walked arm in arm  
At someone else's side  
It made you stop and realize  
That time has turned the tide

You should have known, you'd be alone  
'Cause cheaters never win  
You tried and lost, now pay the cost  
I'm sorry for you, my friend
