It don't matter who does the callin'
We both find it easy to lie
We both got a needin' in common
And the two of us are one of a kind.

Like all cheaters we've tried doing better
We've sworn off more than one time
But there's always more wine and sweet laughter
'Cause the two of us are one of a kind.

It's hell once you've tasted heaven
And the want to is all over your mind
So I guess we'll just go on needin' and cheatin'
'Cause the two of us are one of a kind.

Yes, the two of us are one of a kind...
