Papa it's so good to see you seeing you off of the wine  
Papa you barely miss mama she won't try to hold you  
this time  
One day her tears did stop falling she gave up on  
walking the floor  
She just sat down in her rocker and never got up  
anymore.

Papa some people just came and took mama  
She was rocked in on that old rocking chair  
It seemed like mama just couldn't stop rocking  
And her green Irish eyes held the stare.

Mama was humming a tune someone taught her  
An old Irish lullaby  
It hurts me to say it but I've got to tell you  
She finally rocked you out of her mind.
