Your fingertips touched me round nightlight
Then your shadow crossed in front of my nightlife
I've done my best to make it here in this house since
you've been gone
But the ghost of your memory stayed home.

I've heard your voice from out in the kitchen
Then I saw your face in the mirror wall shavin'
I had to fight to stay here but darling I failed
And tomorrow this haunted house goes up for sale.

This haunted house I live in
Is gettin' to my mind
I'll sell it lock, stock and memories
If I don't make a dime.

I saw some tears leave your eyes in that picture
The one that you gave me for our last anniversary
Someone else will have to check the mailbox for your
mail
'Cause tomorrow this haunted house goes up for sale.

Tomorrow this haunted house goes up for sale...
