(Johnny Gimble)

I'm two beers away from a beautiful day  
After a night on the town  
Just two beers away from a beautiful day  
If I can just keep 'em down.

I woke up this mornin' with moss on my tongue  
My head soundin' just like a cave  
Tryin' to remember the things that I done  
I wish I would learn to behave.

I jumped like a rabbit when I heard that alarm  
Time to get back in the race  
Two cans of breakfast won't do me no harm  
I'll shave when I find my face.

I'm two beers away from a beautiful day  
After a night on the town  
Just two beers away from a beautiful day  
If I can just keep 'em down.

The newsman is sayin' conditions are poor  
The weatherman says it might rain  
Well, I know the causes and I know the cure  
For all this self-inflicted pain.

I'm two beers away from a beautiful day  
After a night on the town  
Just two beers away from a beautiful day  
If I can just keep 'em down.

If you're healthy and happy take my advice  
What's good for me ain't for you  
Stay with your diet of water and ice  
Right now we've got something to do.

I'm two beers away from a beautiful day  
After a night on the town  
Just two beers away from a beautiful day  
If I can just keep 'em down.

I'm two beers away from a beautiful day  
After a night on the town  
Just two beers away from a beautiful day  
If I can just keep 'em down...
