Ashley Ballard Feat. So Plush
"It Was You"

When I think of what I've been through
I can see that you've always been there for me
To tell the truth I don't know what I'd do
Without you, none of my dreams would have come
true.

(You are the one) that I have called for.
(Now my life) means so much more
(Now we can be) together forever
(Forever just you and me)
Me here for you
You here for me
You

[Chorus:]

It was you who showed me I got a friend in you
I always knew that you'd be right here for me
And it was you who stuck with me when the skies where
blue
And it was you who stayed by my side, it was you!

Since the day you came in my life
I knew then that you'd be someone right by my side
Then you proved you're a friend to me
In my heart, forever you will always be

(You are the one) the one (that I had hoped for) I've
been hopin'
(Now my life) means (means so much more) means so
much to me
(Now we can be together forever) Together you and me
(Just you and me)
(There for each other)
And I knew it was you

[Repeat Chorus 2x]

It was you who was always right by my side
And I just can't do it; you helped me through it
We're friends forever, like best friends should be
You'll always be

a special part of me!

It was you!

[Repeat Chorus 2x]

It was you who showed me I got a friend
I always knew that you'd be right there
It was you who stuck with me when skies where blue
It was you!. I knew that I could count on you

[Repeat Chorus]

You are a friend to me. It was you.
