* [Intro: man speaking]

In seconds, letters we write
In minutes, a line or two
An hour perhaps a paragraph
In a day, with a page, we're thru
Then comes the weeks and then the months
As time goes marching on

[Verse 1: Kaoz]

Stop!

This is the rule & main concern in plain English
For these are those who are supposed and intent
To listen and sign and go, with the set tempo
(scratching)

but no!

You talking like a big man but, you're just a small fry
But why you'd wanna throw me off with the wild lie?

But now I've had it up to here with the bullshit

I'm throwing you a shovel... now YOU shovel it!

The questionnaire of a person I see seems to be all
about

When's the album coming out?

I never know what to do, or what say

So I say "Like any given year" or "Like any other day"

When I go make a song, man go get it tested

People always ask me "How come that's not a record?"

Or "Can I get a copy, I gotta tape right here"

And I laugh to myself because I made this early last
year

(Scratching)

When it's time to roll...

[Kaoz]

I'm tired of slow rollin'

[Verse 2: Chino XL]

Now once again

You've fallen to a dimension that's horrifying

Rappers be glorifying

Cus Origin is never trying

To R&B they ears off

On stage soft
Crossover, Water, Assaulter, I slaughter, pop with
hardcore
People ask for autographs, sometimes I laugh
At times my album's four years late
Well lets accelerate/ 'XL'arate!
People in this industry ain't nothing but scavengers
Sweating that Marky Mark shit, dissin' my manager
You can't beat beef, Fold me, Control me
It'll take more than rubbin' a log on Apollo stage to hold
me
Mayors don't give a damn cus they on that salaries
That explains the Dr. Jekyll and Mr. Hide personalities
People say "Chino, why should we put you on a
pedestal?"
Cus I was writing rhymes why you was collecting
stuffed animals
In a matter of months you bluff, I caught flowing
Chino XL mad ass hell, I'm tired of slow rollin'

(Scratching)
When its time to roll

[Chino XL]: (repeat 4x)
Tired of slow rollin'

(Scratching)
Take it man! (Repeat 4x)
Take the thing man!

[Verse 3: Kaoz]
As many people as I know, that are up there
They try to be a big will, but they really scared
That someone like myself voices their opinion
To be truthful and do it as an option
And I say option because I decide to take it now
I get where I want someday, somehow
And if I take it to the streets now it goes underground
When I go major, I get the major runaround
The power of God!
(yelling)
He watches over me
Makes me what we are, of the Origin
See, the 6-23, the ending of a game
Kaoz is the name that I use, fuse
To abuse and bring an abrupt end
To those that are stuck in the mud
I'm tired of slow rollin'

(Scratching) (repeat 2x)
When it's time to roll

(Girl sample)

Cus they envy us, they try imitate us

[Verse 4: Chino XL]

I'm pushing the pedal to the ground while you rewind
Mine, your album's a joke but I still don't get the punch
line

But I figure it's cus of ignorance

I'm causing the violence starts

Silence in the dark!

Butcher's knife is sharp!

You walk thru the park!

YO!!!!!!!!!!

6-25 is know to cause ???? foe's disaster

Then I relax and laughed at cus he goes "I'm mace &
plaster"

So who in the hell is gonna take away my reputation

I'll be the prince until I choose to leave the title vacant

And personally

I think I treated you mercifully

Cus suckas keep making records that sound like
commercials for me

I laugh at your list and break your compact disk... you
missed

You try to get pissed and you're risking your lips to this:
my fist

I lay down a mine like a Palestine Einstein

And keep you around cus I'm down for a shoeshine

People telling me be patient, relax and be cool

When my carrier is rolling like a tear, trying like and old
mule

Brothers make jokes, folks said we couldn't make it

They said ? so I guess we had to take it

Chino XL 6-25, Kaoz 6-23

For Trace 9-11 will go down in history

I ain't rollin' slow

[Kaoz]

Yeah, I'm tired of slow rollin'

[Chino XL]

Yo, Profile is slow rollin, you know what I'm saying?

My man Mark Goldstein is not slow rollin

Rick Ruben is not slow rollin

My man Dan Charnas is not slow rollin, nuh'msayin

East Orange is not slow rollin

[Kaoz]

No, my man Clint Robbins, he's slow
