I can feel your stare, I'm caught up in the after glare
Something tells me you're not there
Mindless and abused, you don't know you're losing you
Your everything has been misused

Can't you see what I'm trying to say?
Don't you see that you're in pain?
You're in pain
Can't you see what I'm trying to say?

Antifreeze & Aeroplanes
Killing you and killing me
I'll tell you what, we can fly away
Antifreeze & Aeroplanes
(Ooh, ooh)

Before you know you're much too weak
To the point the fall's too steep
It's too late now, it's too late now
You're in too deep

Can't you see what I'm trying to say?
Can't you see what I'm trying to say?

Antifreeze & Aeroplanes
Killing you
(You)
And killing me
I'll tell you what, we can fly away
Spread your wings and shed the pain

Spiraling down
Spiraling, I'm so down now
Falling, falling, falling, falling
Falling, falling, falling

Antifreeze & Aeroplanes
Killing you
(You)
And killing me
I'll tell you what, we can fly away
Spread your wings and shed your pain

Antifreeze & Aeroplanes
Killing you
(You)
And killing me
Tell you what, we can fly away
