Early morning
I got Mona Lisa by my side
What's the story
Behind that devious smile?

Doo, doo, doo, doo
Doo, doo, doo, doo, doo, doo
Doo, doo, doo, doo

She's an angel
Now, she's the monkey on my back
She the freedom
Still she never lets me go no

And my blood starts pumpin'
And my heart goes jumpin'
Every time she says
"I have to go now"

But it really don't matter
For worse or for better
She will always be my number one
She goes

Doo, doo, doo, doo
Doo, doo, doo, doo, doo, doo
Doo, doo, doo, doo

My heart goes bang, bang boom
Doo, doo, doo, doo
When she walks into the room
Doo, doo, doo, doo
My heart goes bang, bang boom

She supplies me
Whenever ever I'm in need
Still a thief
From the day she stole my heart now

And my blood starts pumpin'
And my heart goes jumpin'
Every time she says

"I have to go now"

But it really don't matter
For worse or for better
She will always be my number one
She goes

Doo, doo, doo, doo
Doo, doo, doo, doo, doo, doo
Doo, doo, doo, doo

My heart goes bang, bang boom
Doo, doo, doo, doo
When she walks into the room
Doo, doo, doo, doo
My heart goes bang, bang boom

When she walks into the room
She makes me touch the sky
Her devil in disguise
She makes me touch the sky
An angel in disguise

She makes me cry, yeah, yeah

Mona Lisa by my side
With the devious ol' smile
She's the devil in disguise
Still she makes me touch the sky

Love supplier when I need
Stole my heart and made me bleed
Well, I don't mind, I don't mind, I don't mind
When she goes

Doo, doo, doo, doo
Doo, doo, doo, doo, doo, doo
Doo, doo, doo, doo

My heart goes bang, bang boom
Doo, doo, doo, doo
When she walks into the room
Doo, doo, doo, doo
My heart goes bang, bang boom

Doo, doo, doo, doo
Doo, doo, doo, doo, doo, doo
Doo, doo, doo, doo

My heart goes yeah, yeah, yeah
Doo, doo, doo, doo

When she walks into the room
Doo, doo, doo, doo
My heart goes bang, bang boom
