"Christmas Is Love"

It's that time of year
When the whole world is heart to heart
You can feel love all around you
You can see it everywhere

Christmas is love
It's in the songs we're singing
Christmas is love
It's families coming home
Christmas is love
It's on the children's faces
Christmas is love

Christmas is love
A warm and peaceful feeling
Christmas is love
Hear the church bells ring
Christmas is love
It's sharing and the giving
Christmas is love

We all gather round
Watch the lights dancing on the tree
The spirit of the season
You feel it in the air

Christmas is love
It's in the songs we're singing
Christmas is love
It's families coming home
Christmas is love
It's on the children's faces
Christmas is love

Christmas is love
A warm and peaceful feeling
Christmas is love
Hear the church bells ring
Christmas is love
It's sharing and the giving
Christmas is love

Christmas is love
It's love
