Look in my eyes and let the moment begin  
You make me feel like I can do anything  
One look from you just sends my troubles away

What I would do to be with you?

Don't walk away, why don't you stay?  
I've been waiting for somebody like you  
Please don't walk away, why won't you say?  
That you're ready and you're feelin' it too

'Cause if it's love, if it's love  
Then don't walk away

I wanna show you I've got nothing to hide  
Don't be afraid of what you're feeling inside  
Deep in my heart there is nobody but you

What would I do to be with you?

Don't walk away, why don't you stay?  
I've been waiting for somebody like you  
Please don't walk away, why won't you say?  
That you're ready and you're feelin' it too

'Cause if it's love, if it's love  
Then don't walk away
