Billy wants to be a rock star, hey hey hey  
He dreams about it every night and day, hey hey hey  
He loves to be in the limelight, hey hey hey  
He's gonna make it someday  
Backbeat says, everybody loves him  
Everybody, everybody loves him  
Backbeat says, this is his passion

Feels so good tonight  
Everything is right  
The marketing plan is right  
And EMI is very, very nice  
But Billy is tired

Hey hey hey, hey hey hey  
Tammy works at the diner, hey hey hey  
She wants to be a movie actor, hey hey hey  
She wants to move to the big city  
Everybody thinks: she's pretty  
Backbeat says, everybody loves her  
Everybody, everybody loves her  
Backbeat says, this is her passion

Feels so good tonight  
Everything is right  
The marketing plan is right  
And EMI is very, very nice  
But Tammy is tired

Some say it's easy  
To be Billy, to be Tammy cuz they're stars  
But it's a journey  
It takes you all around the world

Feels so good tonight  
Everything is right  
The marketing plan is right  
And EMI is very, very nice  
But they are all tired (2X)
