Swiss girls are hip  
We like the way they wear their hair  
Spanish girls have that look  
That makes us really wanna stare

German girls hold us tight  
And let us know that they care  
French girls dress so suave  
With all their style and flair

They're all so great to see  
Canadian or Japanese

Girls of the world  
Girls of the world  
Girls of the world  
We love you

Irish girls keep smilin'  
They always have a real good time  
Russian girls are sweet  
They also are soft and kind

English girls have that sound  
The way they speak is so divine  
U.S. girls go wild  
The way they walk blows our minds

They're all so great to see  
Australian or Portuguese

Girls of the world  
Girls of the world  
Girls of the world  
We love you

Africa, Netherlands, Philippines  
The girls of the world  
Make our dreams

Girls of the world  
Girls of the world

Girls of the world  
We love you

Girls of the world  
Girls of the world  
Girls of the world  
We love you
