Am I hallucinating?  
Or am I just imagining?  
About what our life  
Could be, together

With all of the lights burned out  
(Burned out now)  
I can't see clearly right now  
If only I could open up my eyes  
(Eyes)  
But

Hey, hey, hey, hey  
I forgot your name  
Hey, hey, hey, hey  
I forgot your name  
Hey, hey, hey, hey  
I forgot your name

I can't just think of you  
When I do my  
Eyes start to water  
If only I could be with  
Someone new but

Hey, hey, hey, hey  
I forgot your name  
Hey, hey, hey, hey  
I forgot your name  
Hey, hey, hey, hey  
I forgot your name

If only I could speak again  
Then none of this  
Would feel the same  
For me, for me, for me  
For me, for me, for me

Hey, hey, hey, hey  
I forgot your name  
Hey, hey, hey, hey  
I forgot your name

Hey, hey, hey, hey  
I forgot your name

Am I hallucinating?
