Whenever I look in your eyes
I see something special
Whenever you kiss me gently
You make me tremble
I get the feeling there's so much more
And you can be sure that I'll open my door

Just Knock
Just Knock

If something is troubling you
And you just can't bear it
You know I know someone
Who's willing to share it
Whenever you need somebody to hold
You can be sure that I'll open my door

Just Knock
Ooh...Just Knock
Knock Knock

Baby that's all you got to do
Knock Knock

I'll be waiting here for you
Knock Knock
Baby Just Knock

You give me that extra something
That keeps me going
And like a lit candle
Your heart's always glowin'
I get the feeling there's so much more
You can be sure that I'll open my door

Just knock
Just Knock
Ooh...Just Knock

Knock Knock
Baby that's all you got to do

Knock Knock

I'll be waiting here for you

Knock Knock

Baby Just Knock
