Walking down this ol' river bank  
Thinking what needs done  
I've got my swimming trunks  
And my fishin' pole  
Sounds like fun, son of a gun  
I've been workin' hard all week  
Now it's time to relax  
Sit beneath that ol' shade tree  
And just kick on back, girl it's a fact

I could go swimming, I could go fishing  
So many things I could do  
I could take a short nap or read a long book  
At least a page or two  
But girl you're the one  
And I'm having fun just thinkin' about you

If I came over to see you girl  
Would you be waiting there  
With your sweet, sweet smile  
And your loving arms  
Showing you care, baby I swear  
I'm gonna love you till the day I die  
Now girl I want you to know  
You're on my mind  
You're in my heart  
You're in my soul  
Wherever I go

I could go swimming, I could go fishing  
So many things I could do  
I could take a short nap or read a long book  
At least a page or two  
But girl you're the one  
And I'm having fun just thinkin' about you

Now I could go sane or I could go crazy  
Or think the whole thing through  
I could take a short nap or read a long book  
At least a page or two  
But girl you're the one and I'm having fun just thinkin'  
about you

Just thinkin' about you  
Just thinkin' about you  
If you're wonderin' who  
I'm just thinkin' about you
