I was ruling the roost and I had all the chicks to myself  
Then suddenly it happened the funny little feeling I felt  
Well I tried runnin but he finally caught up with me  
Tell how can I run  
From something that I can't see  
Oh that little bitty teeny weeny thing they call the love  
bug  
Nobody's ever seen it  
But it's got the whole world shook up  
It all started with a little bitty kiss and a hug  
Its a little bitty teeny weeny thing they call the love bug

Well I always thought that I had me a pretty good style  
But I lost that race by a good old country mile  
I was walking all around with my head held way up high  
When it threw me  
Hit me  
Right it took me by surprise

Oh that little bitty teeny weeny thing they call the love  
bug  
Nobody's ever seen it  
But it's got the whole world shook up  
It all started with a little bitty kiss and a hug  
Its a little bitty teeny weeny thing they call the love bug
