I cry myself to sleep again tonight
'Cause I cannot hold you tight
I wish I could see you again tomorrow
To take all this sorrow, sorrow, I'm hollow

When I touch you, can you feel it
When I need you, can you give it
When I look in your eyes, can you see me
When I fall, fall, will you catch me, catch me, catch me

Misery is what I feel
When you're not around so I can't heal
Misery is what I feel, is what I feel

Misery is what I feel
When you're not around so I can't heal
Misery is what I feel, is what I feel

These tears on my face are for you
I wish that I could hold you, touch you, feel you
My heart is bleeding, can't you see
I wish that you could hold me, touch me, feel me

When I touch you, can you feel it
When I need you, can you give it
When I look in your eyes, can you see me
When I fall, fall, will you catch me, catch me, catch me

Misery is what I feel
When you're not around so I can't heal
Misery is what I feel, is what I feel

Misery is what I feel
When you're not around so I can't heal
Misery is what I feel, is what I feel

Misery is what I feel
When you're not around so I can't heal
Misery is what I feel, is what I feel

Misery is what I feel
When you're not around so I can't heal

Misery is what I feel, is what I feel
