I used to call you my girl
I used to call you my friend
I used to call you the love
The love that I never had

When I think of you
I don't know what to do
When will I see you again?

I miss you like crazy
Even more than words can say
I miss you like crazy
Every minute of everyday

Girl, I'm so down
When you're loves not around
I miss you, miss you
I miss you like crazy

You're all that I want
You're all that I need
Can't you see how I feel?
Can't you see that my pains so real?

When I think of you
I don't know what to do
When will I see you again?

I miss you like crazy
Even more than words can say
I miss you like crazy
Every minute of everyday

Girl, I'm so down
When you're loves not around
I miss you, miss you
I miss you like crazy

I miss you like crazy
Even more than words can say
I miss you like crazy
Every minute of every day

Girl, I'm so down
When your loves not around
I miss you, miss you
I miss you like crazy

I miss you like crazy
I miss you like crazy
I miss you like crazy
I miss you, I miss you like crazy
