"Over The Rainbow"

Over the rainbow there's a pot of gold
There's a pot of gold for me, yeah
Over the rainbow , there's a heart of steel
There's a heart of steel for me to melt
For me to melt, for me to melt , for me to melt

Over that mountain there's a world to see
There's a world to see for you and me
Deep in that ocean, they are lucky charms
They are lucky charms for eternity
For eternity, for eternity

Over that rainbow there's a pot of gold
There's a pot of gold for you and me
Over that rainbow , there's a heart of steel
There's a heart of steel for me to melt, melt, melt
For me to melt, for me to melt, for me to melt
