Whoo!

Monday morning came too soon
I think about you now
Layin' in my room
Hearing everything you said
I play it back
A hundred times in my head
Then I slip into a dream
The feelin' inside
Is ten stories high

{Chorus}

Never knew what love was
Until you loved me
Never knew what love was
Oh yeah
Cause it feels so good sometimes
And it feels so bad sometimes
The way you loved me, loved me
La la la la
The way you loved me, loved me

Friday's always on my mind
I watch the rain come down
I think of how you shine
Let it go or hang on tight
Stay forever
Or stay for one more night
Either way I feel the same thing for ya
The feelin' inside
Is ten stories high

Never knew what love was
Until you loved me
Never knew what love was
Oh yeah
Cause it feels so good sometimes
Don't ya know
It feels so bad sometimes
The way you loved me, loved me
La la la la

The way you loved me, loved me
Oh yeah
Ooh yeah
yeah yeah

You know that I want you
You know that I need you

Never knew what love was
Until you loved me
Never knew what love was
Oh yeah
Cause it feels so good sometimes
Don't ya know
It feels so bad sometimes
The way you loved me, loved me
La la la la la
The way you loved me, loved me
La la la la la
The way you loved me, loved me
La la la la la
The way you loved me, loved me
La la la la la
Yeah!
