Don't know much about history,  
Don't know much biology.  
Don't know much about a science book,  
Don't know much about the french I took.  
But I do know that I love you,  
And I know that if you love me, too,  
What a wonderful world this would be.

Don't know much about geography,  
Don't know much trigonometry.  
Don't know much about algebra,  
Don't know what a slide rule is for.  
But I did know that one and one is two,  
And if this one could be with you,  
What a wonderful world this would be.

Now I don't claim to be an 'a' student,  
But I'm tryin' to be.  
For maybe be being an 'a' student, baby,  
I can win your love for me.

Don't know much about history,  
Don't know much biology.  
Don't know much about a science book,  
Don't know much about the french I took.  
But I do know that I love you,  
And I know that if you love me, too,  
What a wonderful world this would be.

But I do know that I love you,  
And I know that if you love me, too,  
What a wonderful world this would be.
