headless hooker  
-----

mary gallagher walked the streets  
hooking for change , turning tricks  
the hooker met her fate one awful night  
she got decapitated , after a fight

her lesbian lover had a bad reaction  
chopped mary's head in the heat of passion  
the body was found by a private eye  
in montreal is where mary died

with leopard stilettos on her feet  
she walked around on bishop street  
fishnet stocking , bad lipstick  
her headless corpse will make ya sick

yeah well she comes back to get revenge  
her awful death she must avenge  
i hope she finds what she's looking for..  
I hope she finds what she's looking for..  
(x2)

the moon is full when the hooker appears  
in montreal every 7 years  
she's a victim of an awful crime  
she's the one who appears in time  
red light district  
jealousy crime  
headless hooker  
shure to spoil your mind  
she had the looks  
without a head  
some people look better dead

with leopard stilettos on her feet  
she walked around on bishop street  
fishnet stocking , bad lipstick  
her headless corpse will make ya sick

yeah well she comes back to get revenge

her awful death she must avenge  
I hope she finds what she's looking for  
I hope she finds what she's looking for  
(x2).....into the end
