KGB

Another night
in this Russian town
I wonder what to do now
Just gunna hang around

but in the nights i see
Shadows of a demon army
on the way to kill you and me....

it's the KGB
it's the KGB now
Yeah KGB
it's the KGB

there gunna drop the bomb
watch out for Russian spies
cause you can see the Fire
burning in they're eyes

but in the nights i see
Shadows of a demon army
on the way to kill you and me....

it's the KGB
it's the KGB now
Yeah KGB
it's the KGB

why can't they just go and leave us alone
why can't they just let us go home

theres nowhere to run , theres nowhere to hide
but now it's too late baby a million people die
but in the nights i see
Shadows of a demon army
on the way to kill you and me....

it's the KGB
it's the KGB now

Yeah KGB
oh...KGB , KGB , KGB , KGB
