### **SOUNDS OF 77**

-----  
in the golden years of punk rock  
when the adverts played in my town  
there was a Peel Session on the BBC  
Radio 1 you could hear the sounds  
there was the DAMNED-new rose  
and BuZzcocks and Stiff little Fingers too !  
there was the PISTOLS , the CLASH and  
the Vibrators ... we knew just wot to do ....

So I bought a cheap guitar some Drums nÂ' a Bass  
called the Chelsea boys to the Brixton Ace  
we went down to the club just to drink some ale  
we cause so much panic then woke up in Jail  
and all across the London Town  
theres a Chronic generation GoinÂ' round  
Safety Pins nÂ' Razorblades... Black leather jackets  
and Cool new shades

ya wonÂ't change our minds  
no you wonÂ't change our hearts  
never take advice from a boring old tart  
Punk rock is the Only way in 77Â'  
is the way it will stay  
well the sounds of 77  
are running in my veins  
rock n roll is my drug of choice  
there ainÂ't nothing thatÂ's gunna change  
cÂ'mon

Well the sounds of 77  
are runninÂ' in my veins Cmon  
rock n roll is my drug of choice  
there ainÂ't nothing thatÂ's gunna change  
were Rebels till the day we die  
were Rebels for the Cause  
not some stupid cunts just a living lies  
so if ya see us ya better get lost !  
were guitar Gangsters not Bloody Wankers  
were a 77 band, and I told you once buddy  
to-a-many times but you will Never Under-stand

yeah don't ya watch the Television , don't ya watch  
the news  
dont believe that punk is dead yeah ,  
we're the ones who choose .....  
all across the London Town  
theres a Chronic generation Goin' round  
Safety Pins n' Razorblades... Black leather jackets  
and Cool new shades

all across the London Town  
theres a Chronic generation Goin' round  
Safety Pins n' Razorblades... Black leather jackets  
and Cool new shades
