just a little heat  
on this cold day  
you know it would take my  
worry away, worry away

it's in my head  
can't let go  
no matter what you said  
cause i already know  
i'm leaving this place  
cause you  
you've got it written  
all over your face

why can't trouble  
find a new friend  
cause this can't be  
the way the story ends

it's in my head man  
i can't let go  
no matter what you said  
cause i already know  
i'm leaving this place  
cause you  
you've got it written  
all over your face
